BUYING GUIDE

92 **Casa de Santar 2004 Reserva (Dão); \$28.** A deep, concentrated, impressive wine that works on many levels. There are the blackberry fruits, almost jammy, that are enhanced by the tobacco and new wood flavors. Then there is the strong, underlying dryness that promises considerable aging. And there is the elegance. A smooth wine whose tannins work around the core of structure and style. Imported by Signature Imports.
