BUYING GUIDE

88 **J. Portugal Ramos 2007 Marquês de Borba (Alentejo); \$15.** A deeply colored wine, reveling in the richness of 2007, a powerhouse of berry fruits, black plums and a layer of soft wood tannins. It certainly has plenty of ripe fruit, but the smoothness of the wine is the key here, a chocolate smoothness that wraps around the powerful fruit. Imported by Signature Imports.
